## HONG KONG SURGICAL FORUM

The Hong Kong Surgical Forum is an international postgraduate meeting held over a weekend in January and July each year. Topics are of current interest both to general surgeons and to surgeons in more specialised fields.

Each Forum has a structured program of six sessions. Each session is usually on one particular theme and ends with a period of discussion. All presentations are given by invited guest speakers including leading surgeons from overseas.

The registration fee is HK\$2,000 (or US\$260 by bank draft). Lunch will be provided on Saturday. The registration fee (less 25% for administrative costs) will be refunded if a request for cancellation is received before 21 June 2002. There will be no refund for cancellations received after this date. Registration forms should be returned before 14 June 2002.
