HONG KONG SURGICAL FORUM

The Hong Kong Surgical Forum is an international postgraduate meeting held over a weekend in January and July each year. The subjects covered are those of current interest. Leading international authorities have been invited, and both practising surgeons and surgeons-in-training will find the Forum instructive. It is conducted in an informal atmosphere which encourages interflow between speakers and audience.

Speakers	All are invited speakers, including distinguished guest speakers from overseas.
Discussion	Members of the audience are encouraged to participate freely in the discussion periods - to challenge, substantiate or otherwise comment from their own experience on concepts presented.
Venue	All sessions will be held in the 5 th Floor Lecture Theatre, Professorial Block, Queen Mary Hospital.
Tea break	Refreshments will be served in the Sitting Room, Nurses' Quarters, G/F, Block A, Queen Mary Hospital.
Lunch	Lunch will be provided on Saturday in the Doctors' Common Room, 2/F, Block K, Queen Mary Hospital.
