HONG KONG SURGICAL FORUM

The Hong Kong Surgical Forum is an international postgraduate meeting held over a weekend in January and July each year. The subjects covered are those of current interest. Leading international authorities have been invited, and both practising surgeons and surgeons-in-training will find the Forum instructive. It is conducted in an informal atmosphere which encourages interflow between speakers and audience.

Speakers All are invited speakers, including distinguished guest speakers from overseas.

Discussion Members of the audience are encouraged to participate freely in the discussion periods - to challenge, substantiate or otherwise comment from their own experience on concepts presented.

Venue All sessions will be held in the 5th Floor Lecture Theatre, Professorial Block, Queen Mary Hospital.

Tea break Refreshments will be served in the Sitting Room, Nurses' Quarter, Ground Floor, Block A, Queen Mary Hospital.

Lunch Lunch will be provided in the Doctors' Common Room, 2nd Floor, Block K, Queen Mary Hospital.

GENOMICS AND SURGICAL ONCOLOGY

FRIDAY, 9 JULY 2004
MORNING

10:30 **Opening**

Chairman **R T P Poon**

10:30 - 11:00 The expression and function of hepatocyte growth factor in esophageal squamous cell carcinoma

R Yi

11:00 - 11:30 Delineate molecular markers from the microarray profiling of hepatocellular carcinoma

S T Cheung

11:30 - 12:00 Survival and pattern of recurrence after curative resection of colorectal cancer - implication for follow up scheme

Y M Lee

12:00 - 12:30 Voice restoration after total laryngectomy using provox voice for prosthesis - efficacy and complications

A C W Ho

12:30 - 14:00 *Lunch*

HEPATOBIILIARY AND PANCREATIC SURGERY

FRIDAY, 9 JULY 2004
AFTERNOON

Chairman **C M Lo**

14:00 - 14:20 Extended lymphadenectomy in the
treatment of pancreatic adenocarcinoma
F Michelassi

14:20 - 14:40 Abdominal drainage in liver surgery
C L Liu

14:40 - 15:00 Central bile duct cancers - improved results
with a new surgical concept
P J Neuhaus

15:00 - 15:20 Discussion

15:20 - 15:40 *Tea break*

ESOPHAGEAL SURGERY

FRIDAY, 9 JULY 2004
AFTERNOON

Chairman **K M Chu**

15:40 - 16:00 Evaluation of patients with benign esophageal disorders. Importance of esophageal function tests

M G Patti

16:00 - 16:20 Current status of combined modality treatments for esophageal cancer

S Y K Law

16:20 - 16:40 Palliation therapy for carcinoma of the esophagus by self-expanding stent implantation

K Hörmann

16:40 - 17:00 Discussion

17:00 *Adjournment*

TRANSPLANT SURGERY

SATURDAY, 10 JULY 2004
MORNING

Chairman **C L Liu**

09:00 - 09:20 Liver transplantation for hepatitis B,
long-term prognosis and new treatment
modalities for recurrence

P J Neuhaus

09:20 - 09:40 Adult living donor liver transplantation -
problems and practice

C M Lo

09:40 - 10:00 Heart transplantation in Hong Kong

S W Chiu

10:00 - 10:20 Discussion

10:20 - 10:40 Case presentation

C L Liu

10:40 - 11:10 *Tea break*

INFLAMMATORY BOWEL DISEASE

SATURDAY, 10 JULY 2004
AFTERNOON

Chairman **W L Law**

14:00 - 14:20 Modern surgical treatment of ulcerative colitis

F Michelassi

14:20 - 14:40 Update of medical management of
inflammatory bowel disease

B C Y Wong

14:40 - 15:00 Recent advances in the surgical treatment
of abdominal Crohn's disease

F Michelassi

15:00 - 15:20 Discussion

HEAD AND NECK CANCER

SATURDAY, 10 JULY 2004
AFTERNOON

Chairman **W I Wei**

15:20 - 15:40 Anti-angiogenic therapy of head
and neck cancer

K Hörmann

15:40 - 16:00 Salvage surgery for recurrent head and
neck cancer - technique and results

W I Wei

16:00 - 16:20 Laser surgery of laryngeal and
hypopharyngeal cancer

K Hörmann

16:20 - 16:40 Discussion

16:40 - 17:00 Case presentation

L K Lam

17:00 - 17:30 *Tea break*

DIGBY MEMORIAL LECTURE

SATURDAY, 10 JULY 2004
AFTERNOON

Chairman **J Wong**

17:30 - 18:30 **Digby Memorial Lecture**
Higher education - changes and opportunities
A Lam

*Underground Lecture Theatre
New Clinical Building
Queen Mary Hospital*

SPEAKER

S W Chiu is Chief of Service, Department of Cardiothoracic Surgery, Grantham Hospital, Hong Kong

S S M Chu is Honorary Clinical Associate Professor, Department of Surgery, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

K Hörmann is Head and Chairman, Department of Otorhinolaryngology, Head and Neck Surgery, University Hospital Mannheim, Mannheim, Germany

A LAM is Chairman, University Grants Committee, Hong Kong

S Y K Law is Honorary Clinical Associate Professor, Department of Surgery, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

C L Liu is Associate Professor, Department of Surgery, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

C M Lo is Professor, Department of Surgery, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

SPEAKER

C Y Lo is Associate Professor, Department of Surgery, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

F Michelassi is The Stinson Professor, Surgeon-in-Chief and Chairman of Department of Surgery, New York Presbyterian Hospital, Weill Medical College of Cornell University, New York, U.S.A.

P J Neuhaus is Professor of Surgery and Director of Clinic for General, Visceral and Transplantation Surgery, Humboldt-University Berlin, Berlin, Germany

M G Patti is Associate Professor in Residence, Department of Surgery and Director of Bariatric Surgery Centre, University of California, San Francisco, California, U.S.A.

W I Wei is Professor, Department of Surgery, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

B C Y Wong is Associate Professor, Department of Medicine, University of Hong Kong Medical Centre, Queen Mary Hospital, Hong Kong

Professor

Kenelm Hutchison Digby

Professor Kenelm Hutchison Digby, OBE, MBBS (Lond), FRCS (Eng), was born on 4 August 1884. He was the first holder of the Chair of Anatomy of the Faculty of Medicine, The University of Hong Kong from 1913 to 1923. At almost the same time he was also the Ho Tung Professor of Clinical Surgery from 1915 to 1945, and then appointed Professor of Surgery of the University from 1923 to 1945. He was finally conferred the title of Emeritus Professor of Surgery from

1950, a title which he held until his death on 23 February 1954.

During his tenure in the University, Professor Digby was a dedicated teacher, a fine surgeon, and was a great gentleman to all who knew him.

It was to encourage the study and advancement of surgery and to pay tribute to this great man that a fund was raised and donated to The University of Hong Kong by past medical graduates in Hong Kong, Malaysia and Singapore to perpetuate the memory of Professor Digby in the form of a Gold Medal, the Digby Memorial Gold Medal, awarded to students who are in their final MB examination scored at their first attempt the highest marks in Surgery; and to invite a speaker of eminence to deliver the Digby Memorial Lecture.

Digby Memorial Lecturer

Dr. Alice Lam

Dr. Alice Lam received her Bachelor of Arts Degree from The University of Hong Kong in 1963. She went on to pursue studies in Law and became a practicing solicitor in 1978. In her distinguished career she has worked as the Director of the Hong Kong Telephone Co. Ltd., Managing Director and Deputy Chief Executive of the Hang Seng Bank Co. Ltd., and as Co-Chairman of Sotheby's Asia.

Dr. Lam has been active in public service; she was Chairman of the Hong Kong Family Association from 1980 to 1983. She has also served in various government boards including the Securities Commission, and the Town Planning Appeal Board.

In the past 20 years, Dr Lam has made dedicated and significant contributions to the development of secondary and higher education in Hong Kong. She was Governor of the Chinese International School Foundation, Member of the Lord Wilson United College Scholarship Fund, Governor of the Hong Kong University of Science and Technology, Honorary Treasurer of the Chinese University of Hong Kong, and Vice-Chairman of the same University. She is also trustee of the Ma Chung Ho Kei Foundation, the Croucher Foundation, and the Stephen Cheong Foundation.

In 1998, she was appointed member of the University Grants Committee, and assumed Chairmanship of the Committee in 1999. Under her insightful leadership, the Committee conducted a comprehensive review of the Hong Kong higher education system and put forward a series of visionary and constructive recommendations on the further development of education in Hong Kong.

In recognition of Dr. Lam's contributions to the community, she was awarded Gold Bauhinia Star by the HKSAR Government in 2003.

Professor Karl Hörmann

Professor Hörmann had his undergraduate education in medical schools at the University of Munich, Vienna and Kiel. He had his residency training at the Department of Otorhinolaryngology, Head and Neck Surgery, University Hospital Hamburg-Eppendorf, and became Consultant of the Department in 1982. He had his fellowship in Plastic Surgery and was qualified as University Lecturer at the University of Hamburg in 1985. In 1987, he became the Chairman In-Charge of the Department of Otorhinolaryngology, Head and Neck Surgery, University Hospital Lübeck. From 1989 to 1992, he was the Chairman of the Department of Otorhinolaryngology, Head and Neck Surgery, Klinikum der Universitätstadt Kaiserlautern. Since 1993, he has been the Head and Chairman of Department of Otorhinolaryngology, Head and Neck Surgery, University Hospital Mannheim.

Professor Hörmann is both an ENT and plastic surgeon. His main interests are genetic and immunological aspects of head and neck cancer and sleep medicine. He is a member of various medical and scientific societies, including as Head of the clinical section "Endoscopy" of the German ENT Society, Vice Head of the clinical section "Sleep medicine" of the German ENT Society. He is also the Vice Dean of the Faculty of Clinical Medicine Mannheim of the University of Heidelberg.

Professor Fabrizio Michelassi

Professor Michelassi graduated from The University of Pisa, School of Medicine, Italy in 1975. In 1981-1983, he was a Research Fellow in Surgery, Department of Surgery, Massachusetts General Hospital, Harvard University. After completed his residency at New York University in 1984, he became Attending Surgeon and Assistant Professor of Surgery at the University of Chicago Medical Centre, Illinois. In 1990, he became Consulting Surgeon at Louis A Weiss Memorial Hospital in Chicago and Associate Professor of Surgery in University of Chicago. Since 1995, he has been Professor of Surgery and Chairman of Surgery Care Centre, University of Chicago. Currently, he is The Stinson Professor, Surgeon-in-Chief and Chairman of Department of Surgery, New York Presbyterian Hospital, Weill Medical College of Cornell University.

Professor Michelassi's interest is in surgical oncology and inflammatory bowel disease. He has published more than 70 papers in refereed journals, 24 book chapters and 1 book. He is also member of various societies and task forces. He is the Associate Editor of *Hepatogastroenterology* and member of the Scientific Committee of *Research in Surgery*.

Professor Peter J Neuhaus

Professor Neuhaus had his undergraduate education at the University of Münster, University of Freiburg and Royal Infirmary, Glasgow. After surgical board qualification in 1979, he was the Staff Surgeon at the Clinic of Visceral- and Transplantation Surgery, Hannover, where he became Senior Surgeon in 1981. He obtained his university lecturing qualification as Teaching Professor of Surgery in 1982. From 1985 to 1988, he was the Director of General Surgery, Municipal Hospital Braunschweig. In 1988, he became the Director, Clinic for General, Visceral and Transplantation Surgery, Charité, Campus Virchow Clinic, Humboldt-University Berlin. He is also Full Professor of Surgery, Free University Berlin, FRG.

Professor Neuhaus' main interests are liver transplantation, liver preservation, transplantation immunology, bioartificial liver and oncological surgery of the liver and biliary tree. He is also member of many distinguished medical and scientific societies. From 1993 to 1997, he was the president of German Transplantation Society and in 2001-2002 he was the president of International Liver Transplantation Society. Professor Neuhaus received the "Von Langenbeck Preis" of the German Surgical Society for research on extracorporeal liver perfusion in 1983. He was also granted the Karel Pavlik Award by the Czech Surgical Society for development and establishment of liver transplantation in the Czech Republic and the Czech-German cooperation on the field of transplantation.

Professor Marco G Patti

Professor Patti graduated at the Università di Catania in 1981. After his residency training in Ospedale Vittorio Emanuele II, Catania, Italy, he had his Postdoctoral Research Fellowship in Gastrointestinal Surgery at the University of California, San Francisco. He became Resident in General Surgery in Department of Surgery, UCSF and from 1989 to 1991, he was Research Fellow in Gastrointestinal Surgery in UCSF. He was also Honorary Clinical Associate in the Department of Surgery, University of Hong Kong in 1993. He was appointed Assistant Professor in Residence in Department of Surgery, UCSF in 1994 and became Associate Professor since 2000. He has been the Director of Center for Study of Gastrointestinal Motility and Secretion, UCSF since 1994. He also became Director of UCSF Bariatric Surgery Centre in 2000.

Professor Patti's main interests are gastrointestinal motility disorders, bariatric surgery and esophageal surgery. He has undertaken extensive teaching and visiting professorship in Europe and United States. Besides members of various societies and committees, he is also Treasurer of the International Society for Digestive Surgery and member of the editorial board of *Journal of Laparoendoscopic & Advanced Surgical Techniques*. He has published more than 70 refereed papers and 24 book chapters.

CME ACCREDITATION

Attendance at the Forum will be awarded CME points by :

The Hong Kong College of Anaesthesiologists

- 9 CME points*

The College of Dental Surgeons of Hong Kong

- 5 CME points*

Hong Kong College of Emergency Medicine

- 10 CME points*

The Hong Kong College of Family Physicians

- 8 CME points*

The Hong Kong College of Obstetricians and Gynaecologists

- 5 CME points*

The College of Ophthalmologists of Hong Kong

- 6 CME points*

The Hong Kong College of Otorhinolaryngologists

- 5.5 CME points*

The Hong Kong College of Pathologists

- 11.5 CME points*

CME ACCREDITATION

The Hong Kong College of Psychiatrists

- 12 CME points*

Hong Kong College of Radiologists

- 7 CME points*

The College of Surgeons of Hong Kong

- 10.5 CME points*

CME Program for Non-specialists

- **Department of Health**

- 10 CME points*

- **Hong Kong Doctors Union**

- 10 CME points*

- **Hong Kong Academy of Medicine**

- 10 CME points*

- **The Hong Kong Medical Association**

- 10 CME points*

* *Members who intend to apply for CME points must sign the Attendance Record at the Reception Counter*

BEIJING / HONG KONG JOINT FORUM ON GENERAL SURGERY 2004

MONDAY, 12 JULY 2004

09:00 - 09:30 **Opening**

Session 1 *Hepatobiliary and Pancreatic Surgery*

09:30 - 09:50 Extended lymphadenectomy in the treatment of
pancreatic adenocarcinoma

F Michelassi

09:50 - 10:10 Diagnosis and surgical treatment for insulinoma

Y P Zhao and J C Guo

10:10 - 10:30 Abdominal drainage in liver surgery

C L Liu

10:30 - 10:50 Discussion

10:50 - 11:00 *Tea Break*

Session 2 *Transplant Surgery*

11:10 - 11:30 Liver transplantation for hepatitis B, long-term
prognosis and new treatment modalities for recurrence

P J Neuhaus

11:30 - 11:50 Fluid management for liver transplantation?

J Y Zhu and T Li

11:50 - 12:10 Liver transplantation for hepatocellular carcinoma

K K C Ng

12:10 - 12:30 Discussion

12:30 - 13:30 *Lunch*

BEIJING / HONG KONG JOINT FORUM ON GENERAL SURGERY 2004

MONDAY, 12 JULY 2004 (CONTINUED)

Session 3

Minimally Invasive Surgery

- 13:30 - 13:50 The evolution of minimally invasive surgery for gastroesophageal reflux disease
M G Patti
- 13:50 - 14:10 Laparoscopic procedure for colorectal cancer
H Z Qiu and J H Guan
- 14:10 - 14:30 Localisation and laparoscopic approach for pancreatic endocrine tumours
C Y Lo
- 14:30 - 14:50 Discussion
- 14:50 - 15:10 *Tea Break*

Session 4

General Surgery

- 15:10 - 15:30 Management of carcinoma of unknown primary (CUP syndrome)
K Hörmann
- 15:30 - 15:50 Optimize fluid therapy with nutrition support in the critically ill surgical patients: debate and progress
E L Ma
- 15:50 - 16:10 Resection of end esophagus and gastric fundus in treating portal hypertension induced upper GI bleeding
W S Gao and Y W Liu
- 16:10 - 16:30 Current status of combined modality treatments for esophageal cancer
S Y K Law
- 16:30 - 16:50 Discussion and closing
